Qualification Title	L2 Award in BLS (Basic Life Support) & Safe Use of an AED (Automated External Defibrillator)
Course Duration	Half day – a minimum of 4 hours.
Certificate Validity	3 years
Max No of delegates	12
Description	<p>A four-hour course covering practical and theoretical training covering resuscitation, minor injuries, dealing with an unresponsive casualty and safe use of an AED.</p> <p>Heart and circulatory disease claims around 200,000 lives each year. Many could have been saved if a defibrillator was made available.</p> <p>Automated External Defibrillators (AED's) are now becoming more common throughout a range of public work places. A casualty's survival rate will dramatically increase if an AED is available and you have appropriately qualified personnel to use it.</p> <p>This very practical short course will enable learners to use the AED competently and with confidence. Not only does this course deal with the use of the AED, but also includes some vital training in basic life support procedures including resuscitation.</p>
Who should attend?	Students must be a minimum of 16 years of age.
Syllabus	A range of subjects are covered including responsibilities & reporting, assessment of the situation, dealing with an unresponsive casualty, AED functions, resuscitation, infection control, defibrillation procedures, safety measures.
Assessment & Certification	<p>Practical and oral assessment is carried out by the instructor throughout the course, along with a question paper at the end of the course.</p> <p>The qualification lasts three years. To renew the qualification after this period students need to retake the full course.</p>
Refresher Training Recommended	Annual refresher courses are strongly recommended.
Prices & Booking	<p>Public courses: £40 per person</p> <p>Onsite training: £340 for up to 12 delegates</p> <p>All prices include certification costs & course material</p>
