|---------------------------------------|---|
| Course Title | Emergency Paediatric First Aid for Parents & Guardians |
| Course Duration | 2.5 hours |
| Certificate Validity | A relaxed non-accredited course for which a Certificate of Attendance will be issued. |
| Max No of delegates | 20 |
| Description | <p>A First Aid course designed for parents, parents-to-be, grandparents, guardians or any person who looks after children on a non-professional basis.</p> <p>It's frightening to think that three quarters of parents would not have the skills required to save their baby or child from choking. This relaxed & informal course provides the learner with the confidence and knowledge to carry out life-saving first aid, the most valuable skill anyone could ever possess.</p> <p>The course covers life threatening conditions and includes CPR, choking, anaphylaxis, meningitis, asthma, febrile convulsions, head injuries and croup. Throughout the course plenty of opportunity will be given to practice the techniques we teach.</p> <p>On successful completion of the course the learner will have gained the skills required to deal with a range of Paediatric First Aid situations.</p> <p>If Learners require a recognized qualification in Paediatric First Aid please contact us to discuss a place on either a 2-day L3 Paediatric First Aid or 1-day L3 Emergency Paediatric First Aid course.</p> |
| Who should attend? | Students must be a minimum of 16 years of age. |
| Syllabus | A range of subjects are covered including primary survey, resuscitation (CPR including the safe use of an AED), seizures, anaphylaxis, choking, minor injuries, recovery position. |
| Assessment & Certification | N/A for this particular course. |
| Refresher Training Recommended | Annual refresher training is strongly recommended. |
| Prices & Booking | Public courses: £29 per person. Onsite training for up to 20 delegates – please enquire. |

Books to accompany this course will be available at the venue priced at £5 each.
